### CERTIFICATE OF NURSERY INSPECTION

No. 42

Richmond, Va., September 22, 1926.

This is to certify that, acting under authority of law, W. J. Schoene inspected the nursery premises of WESTCOTT NURSERY CO., at Falls Church, Virginia, on the 30th day of August, 1926, and that the said nursery stock growing on said premises was found to be apparently free from San Jose scale and other dangerously injurious insects and plant diseases.

This Certificate can only be used on the aforesaid nursery stock and such other nursery stock as may be purchased under the official tag of the Commissioner of Agriculture of the State of Virginia.

This Certificate is invalid after August 31, 1927

W. J. SCHOENE,  
State Entomologist.
